Specialties

We Cover

At **NursLink**, we maintain a pool of fully **compliant**, high-quality healthcare professionals who are ready to step into roles quickly and seamlessly. We're currently seeing a strong demand for Emergency Nurses, Mental Health Nurses, and General Nurses across the UK, and our **recruitment efforts** are actively focused on meeting this need. In addition to these key roles, we also supply a wide range of skilled staff, including...

Social Care

**Mental
Health**

**Acute
Nursing**

**General
Nursing**

**Care Assistants &
Support Workers**

Why Choose NursLink?

At NursLink, we understand that quality care starts with the right people. Whether it's covering a **last-minute shift** or securing a long-term placement, we make the hiring process seamless, so your **team stays strong** and your care remains **consistent**. Here's why clients choose to work with us:

24/7 Support

The healthcare industry doesn't keep office hours. so neither do we! That's why our dedicated team is available to support both clients & staff day and night.

Fully Compliant Exclusive Candidates

Every member of our candidate network is fully vetted, trained, and up to date with regulatory requirement. Ensuring that your service is supported by qualified, reliable professionals you can trust

Dedicated Account Managers

Your dedicated account manager will be on hand to understand your needs, offer tailored support, and make sure everything runs smoothly from day one

What Our **Clients** Are Saying

Client Testimonial

“Kadijatu is an absolutely fantastic support worker and has fitted into the team amazingly well.

Thank you for providing someone who is motivated and knowledgeable within the care sector, she is a true asset to your agency.”
